TEXT FOR BRICK

Maximum of three lines, 17 characters per line (includes spaces, commas, and periods).

I have proofed the above wording and agree that it is accurate. If an error is discovered after installation and it was my mistake, I agree that I will pay the additional cost to correct the error. If the error is made by the engraver, there will be no charge to install a corrected memorial brick. Due to the customization required, bricks are non-refundable.
